

# Cameron Oberg

Helena, Montana, 59602

(406) 594-2543 • Cellsquidy5@proton.me

## Education:

Montana State University

BS; Computer Science, Professional Option

Some of my Relevant Coursework:

- CSCI112; Programming with C
- CSCI246; Discrete Structures
- CSCI 305; Concepts and Programming Languages
- CSCI 366; Computer Systems
- CSCI 466; Networks
- WRIT221; Intermediate Tech Writing
- ESOF322; Software Engineering
- STAT332; Statistics for Scientists and Engineers
- CSCI445; Human Computer Interaction
- CSCI468; Compilers
- CSCI476; Computer Security

Regent University

BS; Computer Science

Relevant Coursework:

- CSCI233; Ethics for Computer Science
- CSCI201; Intro to Computer Science
- ECON120; Microeconomics

Flathead Valley Community College

AS; Emphasis on Computer Science

Relevant Coursework:

- CSCI111; Programming with JAVA1
- CSCI127; Joy and Beauty of Data
- CSCI113; Programming with C++
- CSCI132; Basic Data Structures and Algorithms
- CSCI121; Programming with JAVA2
- CSCI232; Data Structures and Algorithms

## Objective:

Computer Science student seeking professional experience in software development. Desires experience for a future, long-term, full-time position in the creation of software products.

## Relevant Details:

Hard worker and an innovative, abstract thinker with strong writing skills. Hobbies include being a mod developer of several projects and games, and a developer of simple java projects dealing with simple data analysis. Can use agile methodology to create standards for software implementation. Some experience with Java, C#, Python, C++, C and even a tiny bit of Haskell.

## Prior Job Experience:

Hooper's Garden Center

May 2021 to June 2021

- Seasonal, full-time position. Worked in retail, sales and stocking at a local nursery.

City of Kalispell; Parks and Recreation

June 2018 to August 2019

- Seasonal, full-time Red Cross WSI instructor. Taught swimming and water safety lessons to children.
